REPLY TO BE ADDRESSED TO
THE SUPERINTENDENT
OF THE DINING HALL.

Feb. 25th 1915.

President Falconer,
University of Toronto.

Dear Mr. President,

I am enclosing the account for the Second Contingent Dinner. Only one hundred and thirty seven were here, while I prepared for one hundred and sixty, so that there is a small deficit of $7.25 on account of the full number not being here. The dining hall finances are in good condition, and can easily look after this small amount, if it meets with your approval.

Most respectfully,
Violet M. Ryley.
